

Advertising in Washington Principal Magazine

Reach more than 4,200 principals, assistant principals, deans of students, principal interns, central office staff, state education policymakers and elected officials by advertising with AWSP. There are two ways to reach our audience:

A La Carte Advertising

If you have one-time events, programs or other items you'd like to advertise for a limited period of time, this is a good option. Choose from a variety of ad sizes in our print magazine. See the following pages for details.

Business Partnerships

Looking for an ongoing opportunity to get your message in front of principals? Consider becoming an AWSP Business Partner. In addition to advertisements in our print magazine, Business Partners have access to the following benefits:

- AWSP website placement
- Preferred exhibit space at AWSP conferences
- News stories and editorial promotions in AWSP publications
- Social media mentions, and more!

To learn more about Business Partnership levels and options, contact Kim Marquette at 360.357.7951 or kim@awsp.org.
