# 2018 AWSP LEGISLATIVE PLATFORM

Act with urgency to provide all students with equitable educational opportunities.

## Ample Funding

Fully fund actual costs required to run a school district including, but not limited to, special education, 504 plans, mental health services, drug and alcohol counseling, and behavior interventions.

SUPPORT FOR ALL STUDENTS

# Quality Workforce

Recruit, train, and retain a well-qualified and diverse staff for a strong educational workforce. Streamline the process for out of state teachers and alternative routes to certification.

### **Student Interventions**

Ensure classroom readiness for all students by providing options for multi-tiered systems of support, especially for mental health needs.

#### Strong Leaders. Strong Schools. Strong Students.
