

BUILDING EFFECTIVE LEADERSHIP NETWORK

Taking Your Leadership to the Next Level

About the Series

AWSP's Building Effective Leadership Network brings school leaders three opportunities to maximize their leadership in year 2 and beyond. Attendees will hear from practicing principals and other educational experts about professional learning focused on building and sustaining culture, creating systems to support a common mission, and growth for all stakeholders. Registration includes meals, materials and **leadership clock hours**.

Why Building Effective Leadership?

At Building Effective Leadership, you will:

- Work with colleagues from around the state to engage in experiential and problem-based learning, focusing on real-life principal challenges.
- Reflect on your leadership to gain a deeper understanding of your strengths and those of your team in order to leverage skills and strengths for more powerful leadership and a larger impact.
- Hear from and work with current exemplary school leaders making big impacts and creating lasting change in their schools.

If you want to expand your professional network and engage in team-based learning to increase your capacity, Building Effective Leadership is for you.
