

The Data-Literate School Leader

A Four-Part AWSP Workshop Series

Two Options for Your Learning!

AWSP is pleased to offer you two options as we help you on your “journey” toward becoming a data-literate school leader! You can choose four recorded workshops on demand, OR register for our four-part staff facilitated training to guide you through the workshops. This series is designed to help school leaders close opportunity gaps and increase learners’ life chances. Build your school leadership capacity to lead collaborative data analyses with your school staff.

Tools and resources will be covered, including the AWSP Leadership Framework, Evidence of Impact Tool, and School Leader Paradigm.

Purchase the **on-demand recorded workshops**, or register for the **four virtual staff-facilitated trainings** which includes access to recordings. Please note: There is a 20 person minimum and a 30 person maximum for the staff-facilitated workshops.
