LEADERS OF COLOR NETWORK

AWSP's annual iGrow WA Summit is designed to inspire and equip **school leaders of color** through dynamic breakout sessions, inspiring keynote speakers, student performances, and networking events. Together, principals, assistant principals, aspiring leaders, and district office administrators who identify as leaders of color will elevate their leadership and renew their collective commitment to every student's success. View the date and location of this year's iGrow WA Summit at **www.awsp.org/igrow.**
